CELEBRATION CRUISES COMES TO SANTA BARBARA **Intimate cruises of the Santa Barbara Coastline**

Celebration Cruises is delighted to announce the arrival of “**Celebration**”, a 64-foot, 42 passenger vessel perfect for intimate cruises of the Santa Barbara coastline.

With the look and feel of a much larger vessel, guests have the opportunity to experience the feeling of their own yacht for any special occasion. Two levels invite guests to enjoy the view from above or on deck. The enclosed main cabin area is great for socializing and enjoying the full bar. Intimate seating areas on the main deck encourage conversation with friends or making new friends.

“The best view of Santa Barbara is from the water and we offer a variety of cruise selections that will appeal to every taste and budget. We’re dedicated to giving you the most exclusive experience you can have in the waters off of Santa Barbara,” says Captain Fred Hershman.

The upper deck is well appointed and has comfortable sit down seating for up to thirty guests for dinner. The dance floor is well situated close to the dining area and the music system makes passengers want to get up and dance! The main deck is wide and offers great views while immersed in the Santa Barbara views and experience. There are comfortable seating areas on both the bow and stern areas as well. The separate seating areas on both decks make the layout practical and inviting.

“**Celebration**” cruise directors attend to every detail offering expert planning and assistance for private events, small weddings, anniversaries, parties and business meetings. It’s the perfect Santa Barbara experience!

Located at Stearns Wharf, “**Celebration**” is coast guard certified and is piloted by Captain Fred Hershman, well known in the harbor since 2003 for Santa Barbara’s original, authorized water taxi, Lil Toot, transporting over 250,000 passengers over the past 8+ years.
